

1. Definitions

1.1. The following capitalised terms in these Conditions shall have the following meaning: "Barentz" or "Supplier" means Barentz-Bulgaria EOOD, registered in the Commercial Register and Register of Non-Profit Legal Entities under UIC no. 131561908, a limited liability company, with a registered office and registered address at: 247 "Botevgradsko Shose" Str., Poduyane district, 1517 Sofia, Bulgaria; "Conditions" means these general terms and conditions of sale; "Customer" means the company which is buying the Products from Supplier; "Agreement" means any agreement between Supplier and Customer for the sale by Supplier and the purchase by Customer of the Products. The Agreement shall include these Conditions and any attachments to it or documents mentioned therein; "Parties" means Supplier and Customer collectively; "Products" means the products which Supplier is to provide to Customer, as specified in the Agreement; "Working Days" means any day other than a Saturday, Sunday or public holiday in the Bulgaria.

2. Applicability and offers

2.1. These Conditions shall apply to all offers, quotations, deliveries, activities, and Agreements, all in the broadest sense of the word, in which Supplier acts as seller or supplier, to the exclusion of any other terms or conditions, whether put forward by Customer or whether implied by trade, custom, practice, course of dealing or by dispositive rules of the law. By placing an order, Customer relinquishes its conditions of purchase. Supplier explicitly rejects the applicability of such conditions of purchase.

2.2. These Conditions shall apply between Customer and the relevant Supplier entity or entities as specified in the Agreement.

2.3. Customer's order constitutes a binding offer to enter into an Agreement based on the Conditions. No order is binding on Supplier until it is explicitly accepted in writing or, in the absence thereof, if Supplier completes delivery of the Products specified therein. Supplier shall not be obliged to accept any order and the acceptance by Supplier of any order may be subject to Supplier being satisfied with Customer's creditworthiness.

3. Prices and payment

3.1. Prices quoted by Supplier are exclusive of VAT and any other taxes and are based on delivery in accordance with the agreed Incoterm.

3.2. The prices set out in "price indication" and/or "price list/tariff" or similar documents issued by Supplier are non-binding and are valid for the period specified in such document. If no period of validity is specified, prices provided by Supplier in quotations or otherwise are valid for 14 days from the date of issue. Unless explicitly agreed in the Agreement that prices are fixed (by using the term "fixed" or a similar term), Supplier's price list in force at the date of delivery shall apply and Supplier may, by giving written notice to Customer at any time before delivery of the Products, apply an increased price to reflect the increase in the cost of the Products that is due to any factors related to cost increases or other factors that are beyond Supplier's control (including but not limited to foreign exchange fluctuations, increases in taxes and duties, and increases in labour, supply chain, cost of goods, product and other costs). Alternatively in such circumstances, Supplier may (in its sole discretion) terminate the Agreement immediately on written notice.

3.3. Payment shall be made, without any right to set-off or withhold payment, within 30 days after the

invoice date and in the currency in which and to the Supplier company by which the Products were invoiced. Customer is in default by operation of law after the expiry of this period. In such case, without any prior notice of default being required, Customer shall be due to Supplier a yearly interest of the Euribor (provided that if the Euribor is negative it shall be deemed zero) plus 8%, calculated from the day on which the payment was due up to and including the day of final payment.

3.4. In the event of no payment or late payment by Customer, Customer shall pay to Supplier collection costs of 15% of the outstanding amount, with a minimum of EUR 250 as well as the costs of litigation.

4. Delivery of the Products

4.1. Unless otherwise agreed, Supplier shall deliver the Products CIP (Incoterms 2020). Stated delivery terms and dates are estimates only and cannot be considered as a strict deadline. Supplier shall use reasonable endeavours to respect agreed delivery terms and dates, however, exceeding these terms or dates with less than (i) 20 Working Days if the Products originate from within Europe or (ii) 30 Working Days if the Products originate from outside Europe shall not be considered a default and do not give right to compensation of loss or damage suffered by Customer or by third parties. For delays in delivery of more than the before mentioned number of Working Days and which are attributable to Supplier, Supplier's liability for loss or damage is at all times limited to a maximum of 2.5% of the net invoice value (excluding VAT) of the delayed Products and is subject to clause 7.

4.2. If Customer does not accept delivery of the Products, Supplier may store them at the risk and for the account of Customer.

4.3. Supplier reserves the right to deviate up to 5 percent (upwards or downwards) from the agreed quantity of Products to be delivered and in such case the actual delivered quantity shall be invoiced. The Products may be delivered and invoiced in instalments.

4.4. Customer shall immediately inform Supplier if an attachment has been imposed on the Products and shall immediately notify the attachment creditor of the fact that title to the seized Products rests with Supplier.

5. Warranties and notice of defects

5.1. Supplier warrants that (subject to the other provisions of these Conditions), the Products upon delivery are not damaged and shall materially comply with any written specifications provided by Supplier. Supplier makes no other warranty of any kind, express or implied, statutory or otherwise, concerning the Products, including, without limitation, the implied warranties of fitness for any purpose or merchantability or the results to be derived from the use of the Products.

5.2. Customer is responsible and assumes all risks and liability for (i) any results obtained from processing or using the Products; (ii) ensuring that the Products are fit for the purpose(s) and applications for which Customer intends to use them and are of adequate quality in relation to such use (whether in, or in conjunction with other products, or on their own); (iii) the truthfulness and accuracy of Customer's marketing and advertising relating to the Products or any product of Customer into which the Products were processed; (iv) obtaining governmental or regulatory approval, health, safety, environmental or other approvals in relation to the Products; (v) for any loss or damage resulting from the handling, use or misuse by Customer of the Products; and (vi) ensuring that the Products (and the processing, use or sale of them or

goods incorporating or made from them) comply with all applicable laws and regulations in the territories in which Customer processes, uses or sells the Products or goods incorporating or made from them.

5.3. Customer declares that it is familiar with the quality of the Products supplied to it and of all legal regulations relating to the Products to which it is bound. Customer shall strictly observe the relevant legal regulations and Supplier's instructions, if any, with respect to handling the Products.

5.4. Immediately upon receipt, Customer shall inspect the Products for apparent defects or deficiencies.

Defects or deficiencies discovered during such inspection shall immediately, and in any event within three (3) Working Days after receipt, be notified to Supplier. In addition, Customer shall carefully test all Products before processing, use, or selling the Products and in any event within two (2) months after receipt of the Products. If a defect is discovered, Customer shall notify Supplier within three (3) Working Days after discovery. Defects that were not and could not be discovered by careful testing of the Products shall be notified to Supplier within three (3) Working Days after discovery but no later than four (4) months after receipt of the Products.

5.5. All notifications shall be done in writing and shall include all relevant details. If a claim has not been notified to Supplier in conformity with or failing compliance with the obligations in this clause 5, the Products shall be deemed accepted and Supplier shall have no liability with respect to any (alleged) defect, deficiency or non-conformity.

5.6. If a defect in the Products is discovered, Customer shall not process, use or sell the Products. If a claim submitted in conformity with clause 5 is justified, Supplier shall:

5.6.1. at its sole discretion either (i) repair the defect or failure in the Products, (ii) replace the Products with Products which are in conformity with the Agreement or (iii) issue a credit note to Customer in respect of the whole or part of the price of such Products and take back the relevant Products; or

5.6.2. in case of defects that were not discovered by careful testing of the Products and that were discovered after the Products have been processed, compensate Customer's loss and damage, subject to clause 7.

Performance of any of the above options shall constitute the sole remedy of Supplier's liability under this warranty.

5.7. Any unfounded return of Products shall be for the account and at the risk of Customer. Returns will be permitted only with Supplier's prior written confirmation.

5.8. In case a defect is the consequence of a failure in Customer's compliance with the maintenance instructions, and/or natural wear and tear in view of their material substance, and/or a result of processing by Customer or a third party, and/or any other non-compliance of Customer with Supplier's instructions, Supplier shall not be liable.

6. Liability

6.1. Supplier's liability, Whether based on breach of contract, tort (including negligence), breach of statutory duty, misrepresentation or otherwise, is limited to reasonable loss and damage that are a direct consequence of the damage causing event and to a maximum aggregate amount of two times the net invoice value, excluding VAT, of the Products and/or Services to which such liability relates, per event or series of events having the same cause, subject to a maximum of 500,000.- euro in aggregate during the term of the Agreement.

6.2. Supplier's liability, whether based on breach of

contract, tort (including negligence), breach of statutory duty, misrepresentation, or otherwise, for immaterial loss or damage, penalties, environmental damage, damage as a result of Customer's liability towards third parties over and above the limits of liability of Supplier contained in these Conditions, indirect, and/or consequential loss or damage (including without limitation, loss of revenue or profits, loss of goodwill, contract or customers, loss of anticipated savings), is explicitly excluded.

6.3. Notwithstanding clause 5, all possible legal claims by Customer, with regard to the alleged liability of Supplier, expire if Supplier is not notified thereof within four (4) months after delivery of the Products or if Customer did not notify Supplier within four (4) months but did not start legal proceedings against Supplier within one (1) year after delivery of the Products.

6.4. Nothing in these Conditions shall limit or exclude Supplier's liability for (i) intent or conscious recklessness of Supplier or its senior management, (ii) fraud, (iii) death or personal injury caused by Supplier or (iv) any other matter in respect of which it would be unlawful for Supplier to exclude or restrict its liability.

7. Termination and suspension

7.1. If Customer does not (properly or timely) fulfil any of its obligations towards Supplier, it shall be in default and Supplier shall be entitled, without any notice of default being required, to either suspend or terminate the Agreement and any other agreements not yet completed, without prejudice to Supplier's further rights arising from any Agreement and/or the applicable law.

7.2. In the event of a (request for) bankruptcy or suspension of payments of a Party to its creditors, the other Party is entitled to terminate the Agreement with immediate effect without any compensation.

8. Force majeure

8.1. In case of Force Majeure on Supplier's part, Supplier may either (i) terminate the Agreement or (ii) suspend the performance of the Agreement until the Force Majeure has ended, both (i) and (ii) in whole or in part and without Supplier being liable for any loss or damage caused by the termination or suspension. If Supplier can only make partial delivery as a consequence of Force Majeure, it shall be entitled to do so. "Force Majeure" shall mean circumstances which are of such a nature that the execution of an Agreement becomes impossible or excessively onerous and/or disproportionately costly so that fulfilment of the Agreement can no longer reasonably or cannot be immediately required from Supplier. Force Majeure will in any case include - without limitation - the following: any strike, lock-out, fire, extreme weather circumstances, pandemic or epidemic, obstruction in traffic, shortage of raw materials, materials, fuel or labour, mobilization, war, restriction of import and export, and/or any government measures preventing or impeding the performance by Supplier of the Agreement. A Force Majeure that affects Supplier's suppliers or sub-suppliers shall be deemed to be a Force Majeure affecting Supplier.

8.2. Customer shall have the right to terminate the Agreement in case of Force Majeure of Supplier, if (i) Customer can demonstrate that timely performance is essential for it in its business operations, and (ii) the Force Majeure situation is not expected to end within 60 days, both (i) and (ii) in whole or in part and without Customer being liable for any loss or damage caused by the termination.

9. Intellectual property

9.1. All intellectual property rights, trade secrets and

other proprietary rights subsisting in the Products and any samples and marketing materials as well as all technical, business or similar information (including all recipes, designs, documents and other materials relating to the Products and the marketing materials) shall be, and shall remain, the exclusive property of Supplier, its owners or its licensors.

9.2. To the extent the Products are to be manufactured in accordance with drawings, models, samples, specifications or any other directions in the widest sense of the word, received from Customer, Customer shall defend and indemnify Supplier against all liabilities, costs, expenses, damages and losses, suffered or incurred by Supplier in connection with any third-party claims (i) based on the actual or alleged infringement of any intellectual property rights or any other right of third parties, by manufacturing and/or supplying of such Products and (ii) based on product liability. If any third-party objects to the manufacturing and/or supply of the Products referred to on the grounds of any alleged right, Supplier shall unconditionally be entitled to immediately cease the manufacturing and/or supply of the Products and to demand compensation for the expenses incurred, without prejudice to any claims for possible damages against Customer and without Supplier being liable towards Customer on any account whatsoever.

10. Personal data

10.1. Each Party shall comply with the applicable regulations, in particular Regulation (EU) 2016/679 of the European Parliament and of the Council of 27 April 2016 on the protection of natural persons with regard to the processing of personal data and on the free movement of such data, when processing information relating to an identified or identifiable natural person ("Personal Data").

10.2. Customer acknowledges and agrees that, in performing the Agreement, Supplier may as a data controller process Personal Data in order to execute Customer's orders. Personal Data is also kept in order to comply with legal and regulatory obligations. Personal data will be kept as long as necessary for the execution of the Agreement.

10.3. Access to Personal Data will be strictly limited to the employees of the Supplier, who are authorised to process them.

The Customer agrees to take the required measures to hold all such confidential information in strict confidence, using it solely to fulfil its obligations as outlined in the Agreement with Barentz, and not to disclose it to any third party unless required pursuant to mandatory, applicable law, in which case the Customer shall notify Barentz prior to the disclosure of

such confidential information. Upon the Agreement's termination, the Customer is prohibited from any further use of this confidential information.

12. Miscellaneous

12.1. All Agreements shall be binding upon and inure to the benefit of the Parties hereto and their respective affiliates and successors. Customer may not assign or transfer any of its rights or obligations under the Agreement without the prior written consent of Supplier.

12.2. The invalidity or unenforceability of any term of the Agreement shall not adversely affect the validity or enforceability of the remaining terms and rights. The invalid or unenforceable provisions shall be replaced by relevant valid and enforceable provisions that economically best reflect the contents and meaning of such invalid or unenforceable provisions and the intention of the Parties.
