

# PRODUCTS

## ScanDroitin™

Pharmaceutical

- CS USP, Bovine (>90%)
- CS Ph.Eur., Bovine (>95%)
- CS USP, Chicken (>90%)
- CS USP, Porcine (>90%)
- CS Ph.Eur., Porcine (>95%)

## ScanDroitin™

Nutraceutical

- CS Food USP, Bovine (>90%)
- CS Food USP, Chicken (>90%)

## ScanDroitin™

Animal Nutrition Ingredients

- CS USP, Porcine (>90%)
- CS Ph.Eur., Bovine (>95%)
- CS USP, Chicken (>90%)

## Movagain™ Movagain™

Animal Nutrition Ingredients Nutraceutical

Natural matrix of chondroitin sulfate and collagen type 2

### Technical parameters according to application

Powder, liquids and tablets:

Density 0,4-0,5 g/ml

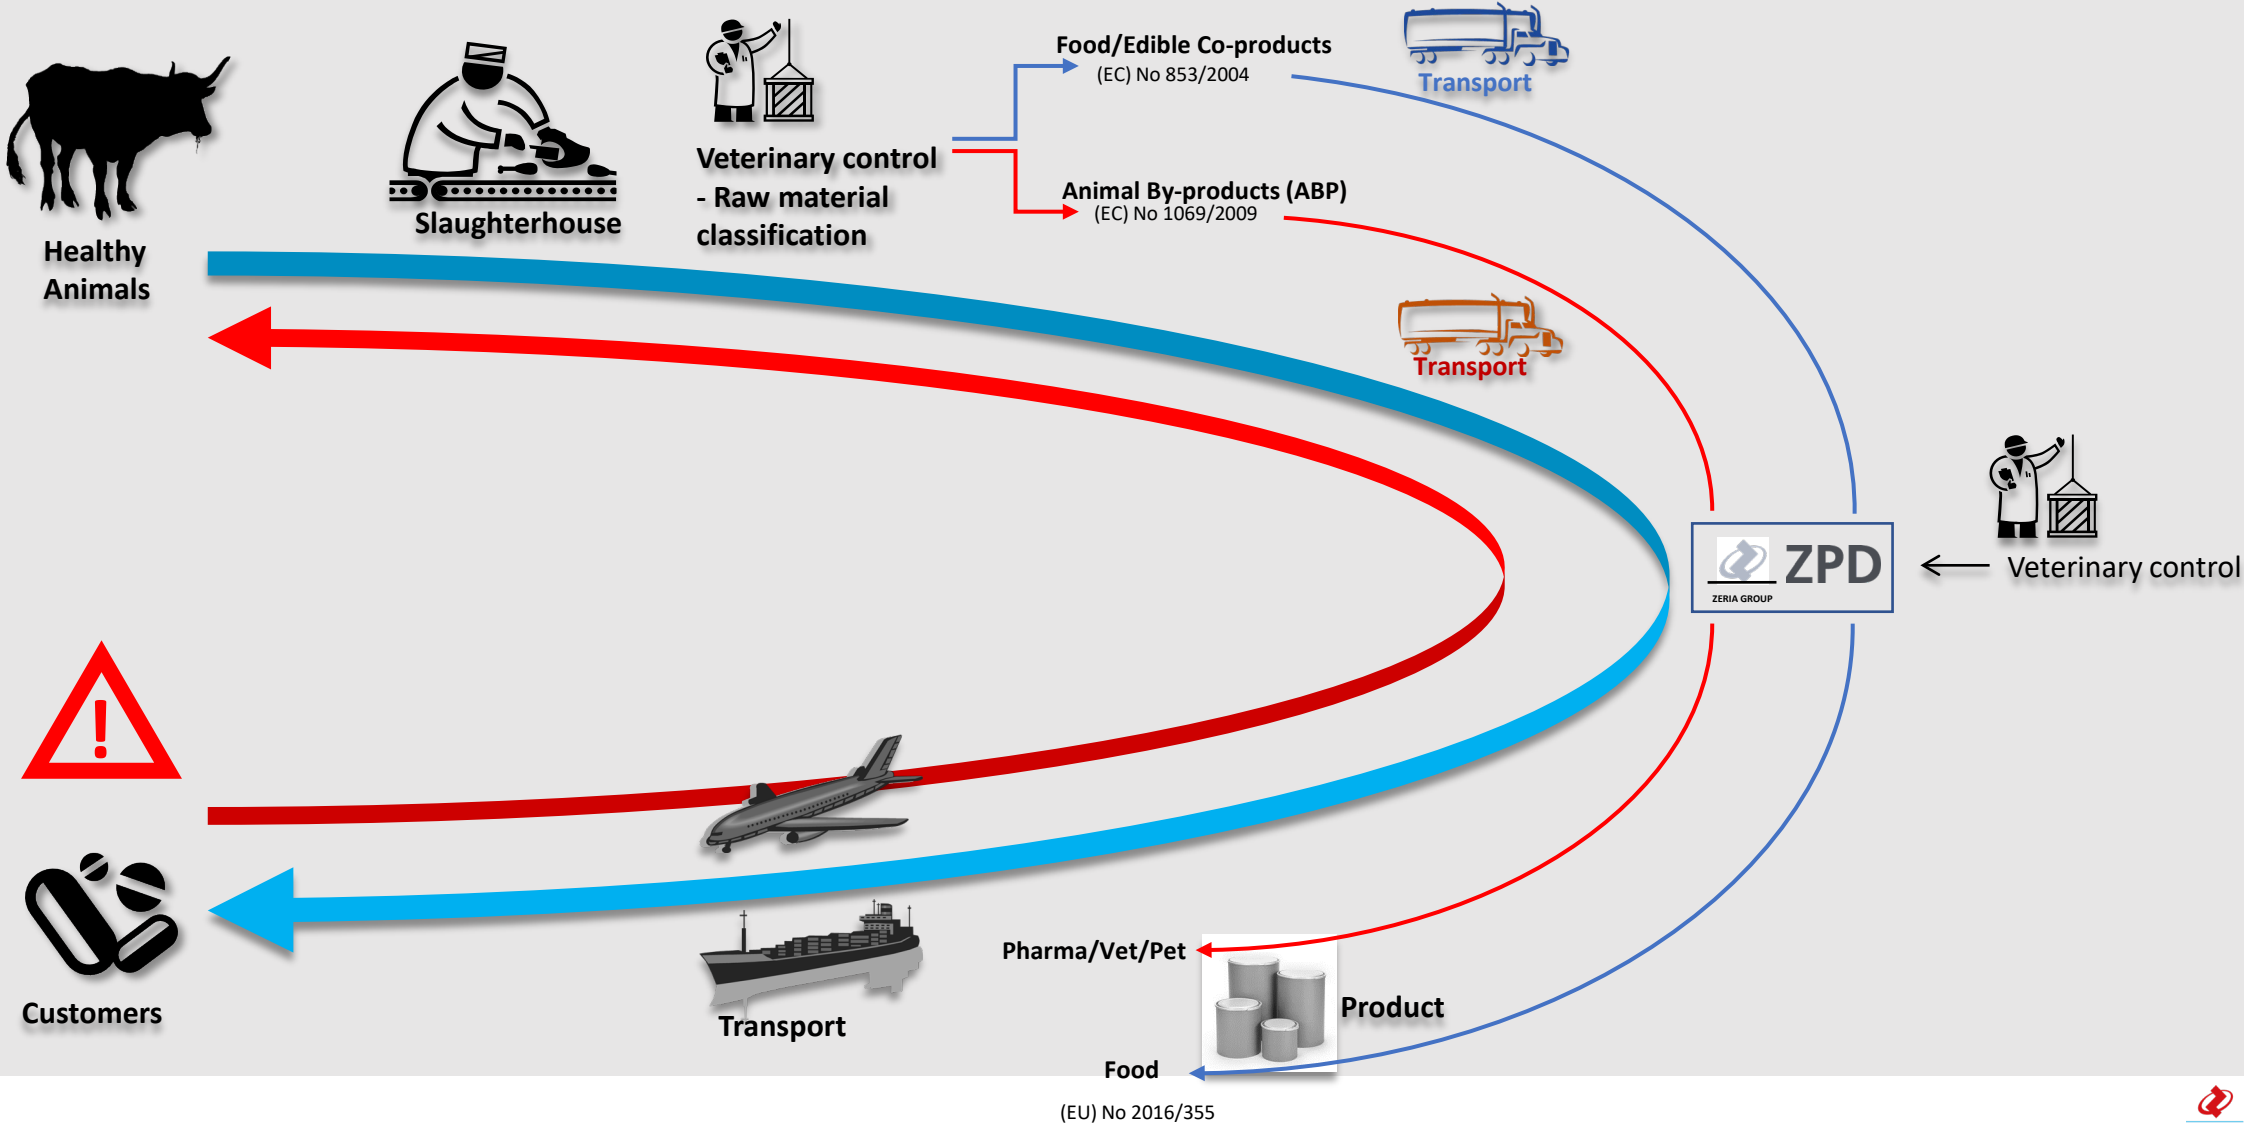

Particle size 400µm or 250µm

Capsules :

Density > 0,7 g/ml

Particle size 250µm or 150µm

# FULL TRACEABILITY

# COMPLIANCE

- Drug manufacturing license (Danish Medicines Agency)
- GMP certification for Chondroitin Sulfate Sodium

# HIGHLIGHTS AND ADVANTAGES

- ✓ High standards - pure products
  - ✓ Produced in EU (Denmark)
  - ✓ GMP certification + HACCP principles
  - ✓ Full compliance with EU regulations
  - ✓ Free from organic solvents
  - ✓ Fully traceable raw material from high-end suppliers only
  - ✓ Very low levels of heavy metals
  - ✓ EU/ Danish Food approval
  - ✓ Product flexibility – special and tailor-made blends
  - ✓ Security of delivery
  - ✓ Technical support and innovation
  - ✓ Freeze dried (DC grade) > allows for easier tableting > more economical solution
- = less excipients > allows a higher content of CS in a tablet.
